A new book is now available: **“The Mark of the Beast and the Seal of God”**.

This book looks at the how the mark of the beast and the seal of God relate to character and personal holiness. Those who receive the seal of God become like Jesus, but those who receive the mark of the beast become like the beast.

Readers can find out whether this is a visible mark or whether something more subtle is involved. The world is being brought into a crisis when the loyalty of all people will be tested to see if they will accept God's seal or choose to believe a lie and receive the mark of the beast.

The e-book version of this book will be available for free on Amazon on March 7th, 22nd and April 2nd (12:00 AM PST - 11:59 PM PST).

Identifying the mark of the beast is important because it will decide the eternal destiny of souls (Rev. 15:2; 19:20). Those who receive the mark of the beast will suffer the seven last plagues and be consumed, but those who have the seal of God will inherit eternal life and the new earth.

God is merciful and longsuffering, but breaking God’s commandments is not a proper way to respond to that grace (John 14:15). The mystery of iniquity (lawlessness) is opposed to true obedience to God. Some people think breaking God’s law makes them free, but rather this leads to slavery to sin. In many courts these words are written on the wall: obedience to law is freedom.

Only Christ can set us free from sin and condemnation, and we need to have his image restored in us so we will reflect his character, keep his commandments and receive the seal of the living God. Time is short, and in the book of Revelation the angels are pictured as holding back the winds so that the saints can be sealed (Rev. 7:1-2). Now is the time to examine your life and see if you are ready for the soon coming of Christ!

In the book I have included a bonus chapter regarding whether Christ changed the Sabbath to Sunday. I have shown that the two most common texts used to support Sunday keeping do not in fact do this.
