July 2014

There are many religions and denominations in the world today. Many of these religions claim to have the truth, so how can we know for sure what to believe in?

It has been said that an airline pilot however sincere, if he takes a wrong course, the result could be fatal. We need to accurately know the truth and the way of salvation.

The Bible points us to the truth, it is the great detector of error with which we can test all doctrines and teachings. It is important for us to read it for ourselves rather than blindly following others, the destiny of our soul is too important to leave to another person.

The Bible does give us an indication as to the true, last day remnant church of Bible prophecy. In Revelation 12-14, we see a prophetic movement which arises at the time of the end and teaches the three angels' message of Revelation 14. This main points of this message are as follows:

- 1) God is the Creator
- 2) The judgement hour has come
- 3) We need to keep the Commandments of God, including the Sabbath
- 4) Come out of Babylon
- 5) Avoid the Mark of the Beast

There is only one church which teaches all these messages, and that is the Seventh-day Adventist Church. This church emerged in the 19th century when there was a renewed interest in Bible prophecy and the second coming of Christ. It teaches that God's judgement hour has come, that people should keep the 10 Commandments and the Sabbath, to come out of Babylon and how to avoid the mark of the beast.

If you are not familiar with Bible prophecy and the three angels' message, take time to read Revelation 14 and take a free Bible prophecy course. There are links on my website to these courses.

We need to know where we are in prophetic history and understand the warnings given us in God's Word. The end is near and we need to get ready. Any gospel without the law, the Creator, or a judgement is not the true gospel. Without these things there would be no sin, and therefore no need of a saviour. Without a judgement there would be no final justice and no heaven. The trues gospel is in contrast to the false one which teaches that you can break God's law and everyone including the wicked will go to heaven. This is a terrible delusion which will come on the world before Jesus returns which is why the three angels' message has been given, it is the perfect antidote to this false gospel.

The final deception is similar to the one given by the serpent in the Garden of Eden, that one can break God's law and get away with it. The truth is that violation of God's law leads to death, but for those who repent salvation can be found in Jesus Christ (Acts 4:12).
