

Advent Truth Newsletter November 2014

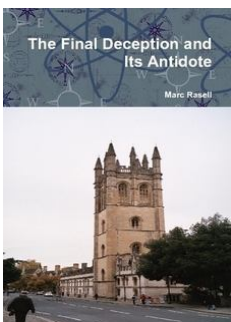

In Matthew chapter 24, Jesus spoke of signs which would occur before his return. One of these signs was pestilences (verse 7); the Ebola crisis reminds us that the end is near!

Another warning was not to be deceived by false prophets (verse 24). We need to be thoroughly acquainted with the Bible so we can test the teachings of spiritual leaders as so often in the past the multitudes were led astray by them. People were taught to look for the forgiveness of sins to human priests rather than Jesus who is our High Priest. Sunday was substituted as a day of rest instead of the Bible Sabbath and those who resisted these changes were persecuted. Therefore it is important that we take time for daily Bible study as prophecy speaks of end time persecution of those who keep God's commandments and the faith of Jesus (Revelation 12:17; 14:12).

A true prophet will always teach things in harmony with the Bible (Isaiah 8:20), this is one of the tests of a prophet given in the Bible. Likewise true teachers will also give sound doctrine in harmony with the Bible.

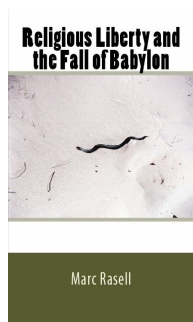

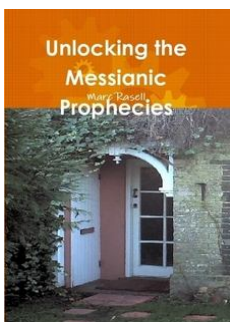

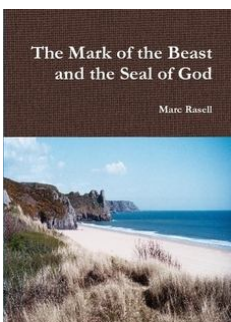

A new online Bible study course has been released on the website, as well as a couple of quizzes where you can test your knowledge about the Sabbath and the Heavenly Sanctuary:
