

# Advent Truth Newsletter January 2015

The New Year is a good time to think of the blessings of the past year and thank the Lord for them. We should also consider what we have done for the salvation of lost souls during the past year. Jesus died for the lost and He wants believers to be part of the work of spreading the everlasting gospel and the three angel's message of Revelation 14:6-12 to the whole world. This message includes upholding the seventh day Sabbath and the law of God.

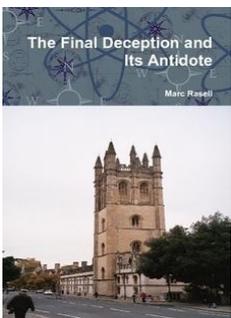

Belief in the imminent return of Christ has waned in many churches. Yet the return of Christ is presented as imminent in the Scriptures, for example Revelation 22:12, "Behold, I come quickly". Had believers been faithful Christ would have come back a long time ago. Like Israel we wander around in the wilderness of this world till we are ready to enter the heavenly Canaan. Peter says the end is delayed in mercy because God is longsuffering, not wanting any to perish (2 Peter 3:9). But Peter also says we can hasten the second coming of Christ (verse 12). We can do this by helping to spread the gospel and the three angel's message all over the world because only then will Christ return (see Matthew 24:14; Revelation 14).

Please take time this year to study the books of Daniel and Revelation. The book of Revelation has a blessing for those who read, listen, and keep what is written in the book (Rev. 1:3); the things written will soon come to pass (Rev. 1:1) and Christ will return.

One of the fundamental beliefs (#25) of the Seventh-day Adventist Church includes a biblical belief in the imminent return of Christ. We need to be watching and praying so we are ready for His return (Luke 12:36).
