

Advent Truth Newsletter

May 2015

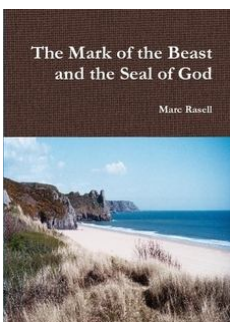

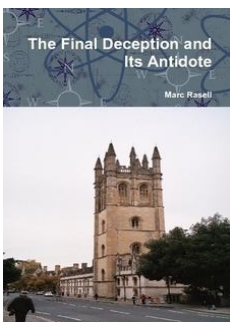

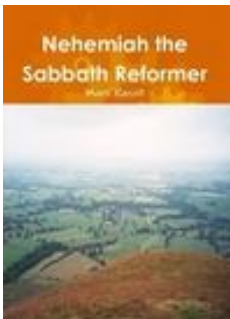

This months newsletter is focused on the prophecies found in Daniel 2 and 7. The recent earthquake in Nepal has reminded us that we are living in the end times. The prophecies of Daniel show us that God will soon usher in His Kingdom, which will bring an end to death and suffering when Christ returns.

The two prophecies of Daniel 2 and 7 parallel each other, covering the kingdom of Babylon, Medo-Persia, Greece, Rome, Europe and finally God's Kingdom. Please see the diagram below.

The terrible beast represents Rome and the 10 horns symbolise the divided nations of Europe under Papal Rome which followed the collapse of Pagan Rome. Then follows a heavenly judgement, the saints will receive the Kingdom and all earthly empires will come to an end.

In future newsletters we will cover Daniel 8 which includes the little horn, and Daniel 9 which prophesied the exact year that Jesus would be cut off, when he died for our sins (Isaiah 53). Only God knows the future and we can be confident in the Bible as the Word of God because these prophecies show that God is in control of this world, He is the only one who can predict the future with 100% accuracy.

For more information see the website where there are tracts and quizzes. Also my book, "Exploring the Heavenly Sanctuary", looks at these prophecies.
